

other States to implement their laws. Consistent with the Montana State legislature, this legislation will repeal the REAL ID Act of 2005.

Montanans are fully aware of the power that big data holds and the consequences when that data is abused. Montana has shown how States are best equipped to make licenses secure, without sacrificing the privacy and rights of their citizens. The Repeal ID Act will allow us to strike a balance that protects our national security, while also safeguarding Montanans' civil liberties and personal privacy.

I want to thank Senator TESTER for being original cosponsors of this bill and I ask my other Senate colleagues to join us in support of this legislation. I want to also thank Representative ZINKE for leading introduction of companion legislation in the House of Representatives.

Mr. President, I ask unanimous consent that the text of the bill be printed in the RECORD.

There being no objection, the text of the bill was ordered to be printed in the RECORD, as follows:
